

## Detetive de Cognatos

### O que é

Os alunos viram detetives e descobrem o sentido de um texto usando os COGNATOS (palavras parecidas com o português) e pistas. Mostra que dá para entender muito sem saber todas as palavras. BNCC: EF06LI04, EF06LI08, EF06LI09.

### Como usar

- Projete ou imprima o cartaz. Peça que circulem todas as palavras parecidas com o português (cognatos).
- Em duplas, descubram o ASSUNTO e a FINALIDADE do texto só pelas pistas. Depois respondam as perguntas.
